*We Have the Stock – We Have the Price . . .*

**SPECIFY NORTHMAN FOR THE BIG VALVES –  
NFPA SIZES D07, D08 & D10**

We have noticed an increase in demand lately for the larger hydraulic directional control valves – the pilot-operated (“piggy-back”) NFPA D07, D08 and D10 sizes.

SW-G04 Series (NFPA D07)

SW-G10 Series (NFPA D10)

SW-G06 Series  
(NFPA D08)

We know our price and availability make us the top choice for these products for many of you. Still, some of you may continue to agonize over long lead-times quoted by other manufacturers.

For your next requirement, think  
***Northman!***
