

As the Old Year Ends and a New One Begins...

All of Us Here at Northman Send You Our Best Wishes for the Holidays and the New Year!

What a year 2007 has been!

We've been able to tell you that **our products are in stock** for immediate shipment (*News #3, June*). In fact, over 95% of orders ship same day! And since June, our stock has increased!

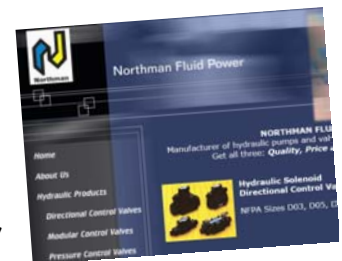

When we told you recently that we have the larger **piggy-back valves** (*News #7, Nov.*), our sales increased. We have them when others might not!

One secret was revealed in 2007, a secret we didn't really want to keep (*News #4, July*). We have the **V10 and V20** interchangeable pumps for Vickers.

And more -

Our **website** was totally re-vamped and is continuously being expanded to make it more useful to you (*News #2, May*). Find catalogs, parts lists, technical information, conversion tips, part number builder . . .

We are grateful for your business and for your support in 2007. We look forward to a good and more prosperous year for us all in 2008!
